

KOZANE 707-08

Kozane® Cut-Resistant Shirt

Designed to offer the highest cut resistance on the arms in combination with breathability and comfort for the body offered by a lightweight, yellow woven fabric.

- Suitable for work environments where there is a risk of cuts and lacerations to the arms, featuring a 1/4 zip and thumb loops.
- Manufactured using our Kozane® Extreme high-performance fabric, offering the optimum combination between outstanding levels of protection and comfortability.
- Featuring high levels of cut, puncture, abrasion, and tear resistance as well as being the most lightweight high-performance fabric of its class.
