Bravone

Flame-retardant, anti-static high-vis bodywarmer

1666N3EF3

Windproof, breathable, comfortable: the Bravone has it all. With its water-repellent outer fabric and moisture-absorbing coating on the inside, this body warmer keeps you warm at all times. The flame retardant lining on the inside provides you with the necessary protection, and the reflective FR strips on the outside increase your visibility. In addition, this model is easy to zip into several multi-norm jackets.
