## KEY FEATURES

- ESD
- Waterproof & Breathable
- GTS Grip Traction Outsole
- Non-Metallic

## ITEM DESCRIPTION

Apache Mission — tough, protective, and built for comfort. This wide-fit, ESD-rated safety boot is crafted in brown leather with a waterproof and breathable bootie. It's 100% non-metallic, featuring lightweight composite toe and midsole protection. The TPU heel counter adds durability and makes removal easy, while the renowned Core Comfort insock keeps feet cushioned all day. Finished with our GTS Grip Traction System PU/Rubber outsole, tested to heat resistance up to 300°C, fuel oil resistance, ladder grip, slip resistance, and both heat and cold insulation.
