Supporting the Future

Simon Safety continues to support the young people of Milford Haven to provide an inspiring day of hands-on learning! Year 10 and 11 learners from Milford Youth Matters enjoyed an interactive engineering taster day at Pembrokeshire College, getting involved in welding, electronics, VR and machining. Opportunities like this spark curiosity and build confidence in young people as they experience what's possible through practical learning.

Simon Safety were delighted to support this initiative by providing the Personal Protective Equipment.

Milford Youth Matters continues to inspire and empower young people every day. Well done to Milford Youth Matters, Pembrokeshire College and Aspire, for creating such an inspiring day for these young people.

Here's to building the next generation of skilled engineers - safely!

Congratulations Tomas – Digital Marketing Apprenticeship Success!

We are delighted to announce that Tomas has successfully completed his Level 4 Higher Apprenticeship in Digital Marketing.

Simon said: "It has been a pleasure to support Tomas and I am delighted that Tomas has successfully completed the Level 4 Higher Apprenticeship in Digital Marketing. Tomas is a great asset and following the completion of this apprenticeship I am pleased he has accepted the role of IT Manager and will continue to develop his career with Simon Safety."

Karl Christie of NTG Training commented: "Tomas has demonstrated exceptional commitment throughout his L4 Digital Marketing Apprenticeship, successfully achieving his diploma and professional certifications. His dedication to professionalism and development shines through everything he does. Tomas consistently exceeded expectations, showcasing strong analytical skills and creative problem solving abilities that will serve him well in his marketing career."

Tomas's progression to IT Manager exemplifies Simon Safety's commitment to developing talent from within. His combination of digital marketing expertise and technical capabilities will be invaluable as we continue to enhance our systems and digital business development.

Well done Tomas – we're very proud of your achievement and excited to see you excel in your new role!

Stay Warm, Dry & Cosy This Winter

Designed with performance and practicality in mind, the LV690 All Weather Robe features a waterproof and windproof outer shell that keeps the elements at bay, while its super-soft fleece lining provides unbeatable warmth. The oversized fit allows for easy layering – perfect for slipping on over kit during training, matches, or outdoor events.

Available in a range of sizes and colours, it's ideal for teams, clubs, or individuals who won't let the weather slow them down. Whether you're pitch side, poolside, or braving a rainy morning commute, the LV690 All Weather Robe is your go-to outerwear for all conditions.

Customer Appreciation Competition – Win a Hamper!

At Simon Safety, we know that our success is built on the loyalty and trust of our customers. To say a heartfelt thank you for choosing us for your safety and PPE needs, we're excited to launch our Customer Appreciation Draw!

Make a purchase between 1st December and 18th December 2025 to earn an entry into our prize draw. One lucky customer will take home a hamper, packed with local treats.

The winner will be announced on 19th December 2025.

Thank you for being part of the Simon Safety community. We appreciate you, and we're excited to celebrate with this special giveaway. Good luck!
